*FOR IMMEDIATE RELEASE*

**Top 18 teams to present projects April 15 at SVSU in 10th annual A.H. Nickless Innovation Award competition**

*Students representing six schools from five districts in Midland, Saginaw counties to compete for a share of up to \$77,500 in scholarships, STEM education grants*

**UNIVERSITY CENTER, MICH., April 4, 2023** – Following months of planning, research and development, the Top 18 teams in the 2022-23 [A.H. Nickless Innovation Award](#) competition soon will take the stage at Saginaw Valley State University to present their projects. At stake is a share of up to \$77,500 in college scholarships for students and science, technology, engineering and mathematics (STEM) education grants for schools.

The competition will take place from 8:30 a.m. to approximately 4 p.m. April 15 in [Alan W. Ott Auditorium in SVSU's Gilbertson Hall](#). Admission is free and open to the public.

Presented by the Nickless Family Charitable Foundation, the A.H. Nickless Innovation Award is an annual competition for high school students ages 13 to 18 in Bay, Midland, Saginaw and Tuscola counties. Its goal is to inspire passion for STEM subjects and challenge students to work in teams to think innovatively and develop solutions to problems impacting the world. Topics typically include – but are not limited to – issues related to alternative energy, healthcare, science, technology or life sciences.

During Phase One of the competition in September and October, each team identified a problem and submitted a two-page proposal for a project to address it. Each team that advanced to Phase Two received a \$1,000 grant with which to conduct its research and develop a viable solution. Teams submitted their Phase Two project reports in late March and now will deliver 10-minute presentations on their projects before a panel of judges.

High schools with [teams presenting projects](#) on April 15 are:

- **Bullock Creek High School** in Midland (Bullock Creek School District), *two teams*
- **Freeland High School** (Freeland Community School District), *three teams*
- **Herbert Henry Dow High School** in Midland (Midland Public Schools), *seven teams*
- **Midland High School** (Midland Public Schools), *two teams*
- **Nouvel Catholic Central High School** in Saginaw (Catholic Diocese of Saginaw), *three teams*
- **Saginaw Arts and Sciences Academy** (Saginaw Public School District), *one team*

At the conclusion of the April 15 event, up to \$42,500 in scholarships will be awarded to students on the winning teams, and a total of \$35,000 in STEM education grants will be awarded to the winning teams' schools:

- **First place** will receive up to five **\$5,000 scholarships** for student team members and a **\$20,000 grant** for the school.
- **Second place** will receive up to five **\$2,500 scholarships** for student team members and a **\$10,000 grant** for the school.
- **Third place** will receive up to five **\$1,000 scholarships** for student team members and a **\$5,000 grant** for the school.

### **Celebrating 10 years of student innovation**

The 2022-23 competition marks the 10th year of the A.H. Nickless Innovation Award. Since the first competition in 2013-14, well over a half-million dollars has been awarded to participants and their schools, including \$302,500 in student scholarships and \$280,000 in STEM education grants, respectively. In the competition's first nine years, 419 students developed and presented a total of 136 team projects in Phase Two of the competition. While there was not a competition in 2020-21 due to the COVID-19 pandemic, the Nickless Family Charitable Foundation distributed \$16,500 in scholarships to 11 past participants who were unable to compete during their senior year due to the cancellation.

Registration for the 11th annual competition, which will span the 2023-24 academic year, begins Sept. 1 on the Register page at [ahninnovationaward.com](http://ahninnovationaward.com).

### **About the A.H. Nickless Innovation Award**

---

The A.H. Nickless Innovation Award was created by the Nickless Family Charitable Foundation to honor the memory of the late Arthur H. Nickless, a local innovator and owner of Wolverine Telephone Company. With a goal of inspiring passion for science, technology, engineering and math (STEM), the competition is open to high school students in Bay, Midland, Saginaw and Tuscola counties and awards up to \$77,500 per year in scholarships to students and STEM grants to schools. A total of \$582,500 has been awarded since the first competition in 2013-14. For more information, visit [ahninnovationaward.com](http://ahninnovationaward.com).
